

My first appointment

I will be going to the New England Behaviour Support office at Unit 4, 103 Peel Street Tamworth.

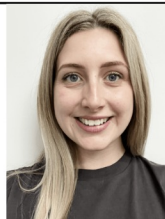

When I get to the office, I can wait in the waiting room until my appointment.

I will meet with my Therapist.

Shanin

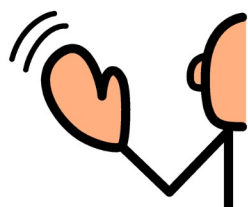

At this appointment, my parent/carer will come in to the room too.

There will be lots of talking to learn all about me, and what goals we will be working on in our therapy appointments together.

There are some toys in the room which I can play with.

At the end of the appointment, I will need to help pack away. It will be time to say goodbye and leave. My Therapist will look forward to seeing me again!
