

# My Therapy Appointment

N E B S

My Therapy appointments are usually every 2 weeks at the NEBS Clinic, School or home.

I will meet with my therapist.

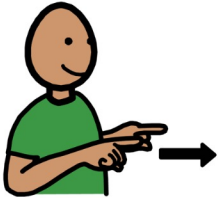

Chantelle

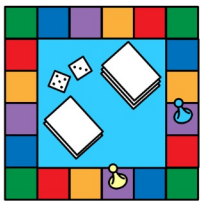

Tahnee

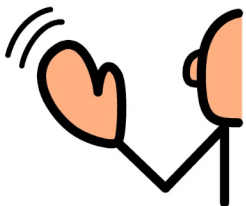

Shanin

I will practice some new skills.

After practice, I will be able to choose a game to play.

At the end of the appointment, I will need to help pack away. It will be time to say goodbye and leave. My Therapist will look forward to seeing me again!
